

Wayne State University
Department of Microbiology, Immunology, & Biochemistry

To: BMB Ph.D. Students & Mentors

From: BMB Graduate Committee

Subject: Checklist for Yearly Progress

The Graduate Committee has designed the following checklist which BMB students are required to complete to ensure that each student fulfills the yearly requirements. **Check ALL the boxes that you have completed.**

***Note that all required forms to submit to the graduate school are found online. Always add ai6972 (April Wolak) in the drop down menu where it requires an Academic Service Advisor approval :**

<https://gradschool.wayne.edu/students/phd/forms>

YEAR 1 For students who started the fall 2022 semester or later.

- Submit ***Individual Development Plan** online.
- Select an Oral Examination Committee – Include your advisor, 2 additional BMI faculty members and 1 member from outside the department. Ask the BMI Office who you are considering for your outside member prior to selecting him/her to verify that they don't have an appointment with BMI.
- Write "Proposal for Graduate Work" in NIH Format and "Personal Statement" in NIH format (contact the BMI Office for the NIH guides) – Distribute this proposal to committee at least 10 days prior to Oral Exam.
- Perform Oral Exam – Student is responsible to arrange room and committee's attendance.
- Submit these online forms: ***Recommendation for Candidacy, Prospectus and Record of Approval, Conflict of Interest Forms.**

YEAR 3

Courses:

Fall: Minimum requirement

- BMB 7890 (1 credit)
- Seminar (0 credit)
- BMB 9991 Dissertation Research (6 credits) ****Must be taken in Successive order for 9991-4**

Winter: Minimum requirement

- BMB 7890 (1 credit)
- BMB 9992 Dissertation Research (6 credits) ****Must be taken in Successive order for 9991-4**

Summer: Additional credits as needed to graduate by desired date.

Progress Requirements (Year 3):

- Submit ***Individual Development Plan** online.
- Yearly Data Meeting with your Dissertation Committee

YEAR 4

Courses:

Fall: Minimum requirement

- BMB 7890 (1 credit)
- Seminar (0 credit)
- BMB 9993 Dissertation Research (6 credits) ****Must be taken in Successive order for 9991-4**

Winter: Minimum requirement

- BMB 7890 (1 credit)
- Seminar (0 credit)
- BMB 9994 Dissertation Research (6 credits) ****Must be taken in Successive order for 9991-4**

Summer: Additional credits as needed to graduate by desired date.

- BMB 7996 (2 credit)

Progress Requirements (Year 4):

- Submit ***Individual Development Plan** online.
- Yearly Data Meeting with your Dissertation Committee

YEAR 5 and after (NOTE: A total of 84 credits are required to graduate)*Courses:**Fall: Minimum requirement (Note: BMB7890 (Journal Club) is not required after year 4)*

- BMB 9995 Doctoral Candidate Maintenance Status (0 credit)
- IM 7890 Seminar (0 credit)

Winter: Minimum requirement

- BMB 9995 Doctoral Candidate Maintenance Status (0 credit)
- Seminar (0 credit)

Summer: Only required if graduation occurs in the summer term or otherwise noted by the Advisor.

- BMB 9995 Doctoral Candidate Maintenance Status (0 credit)

Progress Requirements (Year 5+):

- Submit ***Individual Development Plan** online.
- Yearly Data Meeting with your Dissertation Committee
